## **Article I: *Preamble***

The Farragut Board of education and the Farragut Education Association recognize and declare that providing a quality education for the students of the Farragut Community School District is a mutual desire. It is agreed that the character of such education depends in a large measure upon the quality and morale of the teaching service. The mutual aim of this agreement is to build morale and negotiate in good faith.

Whereas, the parties have reached certain understandings which they desire to confirm in this agreement, it is agreed as follows:

## **Article II: *Grievance Procedures***

### **A. Definitions**

1. Grievance: A grievance shall mean that there has been an alleged violation, misinterpretation, or misapplication of any of the specific provisions of this agreement.
2. Grievant: A grievant is an employee or group of employees filing the grievance or in the case of a class grievance, the Association.
3. Year-End Grievance: In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance by the end of the school year, and, if left unresolved until the beginning of the following school year could result in irreparable harm to the parties involved, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or within the maximum of 30 days thereafter.
4. Days: *Days* shall mean working days except over summer break (June, July, and August). *Working days* shall mean Monday through Friday.

### **B. Procedure**

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems that may from time to time arise under this agreement. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of this procedure.
2. The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The failure of an employee or the Association to act on any grievance within the prescribed time limits shall constitute a waiver of the alleged grievance and will act as a bar to further appeal of that alleged grievance. An administrator's failure to give a decision within the prescribed time limits

shall permit the grievant to proceed to the next step. Time limits may be extended by mutual agreement.

3. It is agreed that any investigation or other handling or processing of any grievance by the grieving employee or his/her representative(s) shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grieving employee or the teaching staff.
4. All grievances must be presented within ten (10) working days of the date of occurrence or knowledge of the occurrence of the event that gave rise to the grievance.
5. At each step in the grievance procedure, the Association and Administration shall have the right to have representatives or witnesses attend any meeting to resolve or prevent a grievance.
6. If a grievance affects two or more employees and is signed by said employees, said grievance shall be defined as a class grievance. Then the Association may process the grievance beginning at step two of the grievance procedure. A minimum of two affected employees must be present at each level through level three.

#### C. Grievance Steps

1. Step One: An attempt shall be made to resolve any grievance under this Article through an informal discussion between the grievant and his/her building principal.
2. Step Two: If a grievance is not resolved informally at the first step, the aggrieved shall file the grievance in written form with the building principal within ten (10) days after the informal conference with the building principal. The written grievance shall state the nature of the grievance, spelling out the specific clause or clauses of this agreement that has allegedly been violated, misinterpreted, or misapplied, and shall state the remedy requested. Within ten (10) days after the principal receives the written grievance, a meeting at a mutually agreeable time shall be held with the aggrieved to discuss the alleged grievance and attempt to resolve the same. The principal, or designee, shall render such decision and communicate it in writing to the aggrieved within ten (10) days following the meeting between the principal and the aggrieved.
3. Step Three: In the event that a grievance is not satisfactorily resolved at the second step, the aggrieved may file an appeal of the principal's answer within ten (10) days of the said written decision with the Superintendent and/or his representative(s). Within ten days after the written grievance is filed, the aggrieved, the representative(s) of the aggrieved, if desired, and

the Superintendent shall meet in an attempt to resolve the grievance. The Superintendent and/or his representative(s) shall file an answer within ten (10) days of the grievance meeting for Step Three and communicate it in writing to the employee, the principal, and the representative of the employee.

4. Step Four: If the grievance is not resolved satisfactorily in Step Three, a fourth step of impartial binding arbitration shall be made available.

Within ten (10) days, the grievant and the Association shall submit in writing a request to enter into binding arbitration. The Public Employment Relations Board shall be requested to provide a list of five (5) arbitrators. The parties shall determine by coin toss which party shall have the right to remove the first name from the list. Each of the two parties shall alternately strike one name at a time from the list until one shall remain. The party selected to remove the first name shall do so within five (5) days after receipt of the list. Each party shall have one day to remove the next name. The remaining name shall be the arbitrator.

The decision of the arbitrator regarding a grievance on the contract under which the grievance was filed shall be submitted in writing within thirty (30) days following the close of the hearing or the submission of the briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The decision of the arbitrator shall be binding on the parties. The arbitrator shall have no power to alter, change, detract from, or add to the provisions of this agreement, but shall have power only to apply and interpret the provisions of this agreement.

Each party shall bear its own cost and expense of the arbitration proceedings excluding the fee of the arbitrator. The fee of the arbitrator shall be equally shared between the employer and the grievant or his/her representative.

#### D. Other

1. All meetings and hearings, under this procedure, shall be conducted in private and shall include only witnesses, representatives, and the grievant. Designated or selected representatives may be present at all steps.
2. Unless agreed to by the superintendent or designee, all grievances shall be processed outside the employee's work day.

#### E. Personnel Files

All documents, communications, and records subsequent to the filing of a grievance shall be filed separately from the personnel files of the participants.

## F. Grievance Forms

The approved grievance form (see Attachment E), shall be used to process grievances. A grievance form must be attached to each master contract given to an employee.

The Association agrees to indemnify and hold harmless the school district, each Board member, and all employees of the district against any and all claims, costs, or other forms of liability, and all court costs and attorney's fees arising out of application of the provisions in the agreement between the parties for the collection of dues.

**Article VIII: Sick/Emergency Leave Pool**

**Sick Leave Pool**

A *Sick Leave Pool* shall be provided for catastrophic purposes. Upon approval, an employee covered under the terms of the *Master Contract* may use sick leave days beyond the number of regular sick leave days that they have accumulated. The intent of the pool is for the benefit of those covered employees who suffer catastrophic illness or injury and are left in a position whereby they cannot work.

- A. In addition to the sick leave granted in Article VI, Part A, of the 2003-04 Master Contract, the sick leave pool is to provide additional sick leave benefits to any employee who suffers catastrophic illness, injury, or infirmity.
1. The intent of the sick leave pool is not to guarantee that a participating employee will not be docked in pay if he/she is absent from work due to illness and does not have sufficient sick leave days accumulated to cover the absence.
  2. The sick leave pool is designed as a safety net to protect the income of the employee in case of catastrophic illness, an injury, or an infirmity. In most cases common illnesses, common injuries, and common infirmities causing a period of recovery, whereby, an employee is unable to work, will not qualify a participating employee to draw from the sick leave pool.
  3. An illness, injury, or infirmity will not be considered catastrophic if the period of recovery or convalescence is a usual recovery time of a common illness, injury, or infirmity.
  4. This paragraph is inserted to help define the intent of the sick leave pool and to inform participants that they should not assume that the sick leave pool is originated to guarantee that a participant would never have his/her pay docked because he/she is absent from work because of illness, injury, or infirmity.

- B. An eligible staff member who chooses to participate in the sick leave pool

must do so not later than the second Friday, of September, of the year in which the staff member is initially eligible to participate in the sick leave pool. Intent to participate in the sick leave pool must be turned in to the business manager or the superintendent by that date and on the form provided for that purpose. (Attachment B)

1. The staff member who has joined the sick leave pool shall continue to be a member during his/her employment with the school district until the time that he/she withdraws from the sick leave pool according to the procedure outlined in Section L.
  2. By becoming a participating member in the sick leave pool, the staff member will contribute three (3) days of his/her regular sick leave days to the pool, each year, by the second Friday of September of such years. Such contribution shall reduce each participating member's regular sick leave total by three (3) days.
  3. Eligible staff members hired after the second Friday of September during a school year, must elect to participate in the sick leave pool within fourteen (14) days of their hiring date or they will not be allowed to join at a later date. Eligible staff members who elect not to participate in the sick leave pool shall not be allowed to join at a later date.
- C. Before a participating member is eligible to draw from the sick leave pool he/she will use all accumulated sick leave days.
- D. To be eligible for sick leave pool days, the participating staff member will submit a letter from a physician stating that the staff member is unable to work as an employee. The physician's statement will also list the diagnosis that caused him/her to be unable to work and will state, when, in their (physician's) judgment, the employee will be able to return to work. An updated statement from the physician must be given to the superintendent every fifteen (15) contract days in which the staff member is drawing from the sick leave pool. The Board of Education has the right to require an examination by a physician of its own choice at the expense of the school district, at any time, during the period of time, that the participant is drawing days from the sick leave pool.
1. By participating in the sick leave pool, the participant agrees to submit to such a physical or mental exam, as directed by the Board, for the purpose of determining the participant's eligibility for the withdrawal of days from the sick leave pool.
  2. If the physician appointed by the Board of Education determines that the staff member is eligible to work, the determination of the physician appointed by the Board is final and binding.

- E. All requests by eligible employees to withdraw days from the sick leave pool will be submitted to the sick leave pool committee (SLPC) for review. The SLPC will be comprised of three teachers, two administrators, two Board of Education members, and the business manager who will serve as secretary for the SLPC.
1. The teachers on the SLPC will serve a term of two years and will be elected by their peers in May of each year.
  2. One of the initial teachers to serve on the SLPC will serve for only one year.
  3. The SLPC will initially determine if the requesting staff member's illness, injury, or infirmity is catastrophic and will make a recommendation to the Board of Education as to whether or not the participant is eligible to use sick leave days from the sick leave pool.
  4. Included in the recommendation of the SLPC will be the number of days that the participant is eligible to withdraw from the sick leave pool.
  5. The Board of Education will decide the eligibility of the staff member to use sick leave days from the sick leave pool for the stated purpose.
  6. The Board of Education will determine the extent of the use of the sick leave pool.
  7. The decision of the Board of Education is final. (Neither the decision of the SLPC nor that of the Board of Education may be grieved.)
- F. Participants approved for withdrawal of sick leave pool days will be reimbursed at a rate of 60% of their regular *base pay* salary (not including extra-curricular, pay for being a sponsor, extended contract, etc.), per day, for the number of days approved.
- G. All eligible members will be able to withdraw a maximum of ninety (90) days from the sick leave pool, per year, provided the pool contains the number of days being requested.
- H. To retain membership in the sick leave pool, a member will contribute three (3) days a year of his/her sick leave by the second Friday of September. This three day contribution will be waived when the sick leave pool has an accumulation of 500 days on July 1 of any school year. The three days contribution will be reinstated whenever the sick leave pool's accumulated days fall below 350 days on July 1 of any school year.
- I. A new employee that elects to participate in the sick leave pool must initially contribute three (3) days to the pool regardless of the number of days accumulated in the sick leave pool.

- J. Whenever a staff member withdraws at least thirty (30) days from the sick leave pool during the school year, that member is ineligible to draw from the sick leave pool the next school year.
- K. If a staff member draws workman's compensation disability funds, he/she will not be allowed to draw days from the sick leave pool at the same time.
- L. If a staff member chooses to withdraw his/her membership from the sick leave pool, he/she may do so by making a written request to the SLPC by the second Friday in September (for the school year in which it is to apply). This withdrawal is considered permanent and the member cannot rejoin at a later date.
- M. Upon withdrawal, the staff member will not be able to withdraw any of the sick days that he/she has contributed to the sick leave pool.

### **Emergency Leave Pool**

An *Emergency Leave Pool* shall be provided for catastrophic purposes. Upon approval, an employee covered under the terms of the *Master Contract* may use emergency leave days beyond the number of regular emergency leave days that they are granted. The intent of the pool is for the benefit of those covered employees whose families suffer a catastrophic illness, or injury, whereby emotional or physical support may be needed in the early stages of recovery.

- A. In addition to the emergency leave granted to employees in accordance with Article VI, Part E, of the 2003-04 Master Contract, the emergency leave pool is to provide additional emergency leave benefits to any employee who has a family member suffer a catastrophic illness, injury, or infirmity.
  - 1. The intent of the emergency leave pool is not to guarantee that a participating employee will not be docked in pay if he/she is absent from work due to illness or injury among members of their household. Also, it is not the intent of the emergency leave pool to provide emergency leave days for the common use of the employee, after they have used all of their own family emergency leave days during the year.
  - 2. The emergency leave pool is designed as a safety net, financially, for the employee who must provide continual care for a member of their immediate family due to a catastrophe. The emergency leave pool is also designed to help provide emotional security or support to family members of employees during the initial stages of recovery from a catastrophic illness, injury, or infirmity. To be eligible for the withdrawal of emergency leave pool days, the infirmity, injury, or illness of the family member must be deemed catastrophic by the majority of members of the SLPC.
  - 3. An illness, injury, or infirmity will not be considered catastrophic if the period of recovery or convalescence is a usual recovery time of the

common illness, injury, or infirmity.

4. This paragraph is inserted to help define the intent of the emergency leave pool and to inform participants that they should not assume that the emergency leave pool is originated to extend the number of days granted to employees annually under the provisions of the emergency family leave outlined in Article VI, Part E of the 2003-04 Master Contract.

- B. An eligible staff member who chooses to participate in the emergency leave pool must do so not later than the second day of school, of the year in which the staff member is initially eligible for the emergency family leave pool. Intent to participate in the emergency family leave pool must be turned in to the business manager or the superintendent by that date. (Attachment C)
1. Eligibility for coverage ends the last day of school each year and begins on the first day of school of the succeeding year. There is no coverage during the summer months unless the employee is on a year-around contract.
  2. If a catastrophic illness, injury, or infirmity occurs on or after August 1, and prior to the beginning of the school year, the participant may be eligible for withdrawal from the emergency leave pool provided: a) the participant agrees to contribute to the pool the year in which he/she withdraws days from the pool, b) the participant was a member of the pool the year prior to withdrawal, c) the application for the withdrawal of days from the emergency family leave pool is approved by the SLPC (Sick Leave Pool Committee) that is in operation at that time.
  3. By becoming a member of the emergency family leave pool. The staff member will contribute one emergency family leave day to the pool, for the year in which the employee is participating in the pool. Such contribution shall reduce each participating member's regular emergency family leave total by one (1) day for the covered year.
  4. Eligible staff members hired after the second day of school during a school year, must elect to participate in the emergency family leave pool by the end of the second day of their employment or they will not be allowed to join at a later date.
  5. Eligible staff members who elect not to participate in the emergency family leave pool shall not be allowed to join at a later date.
- C. Before a participating member is eligible to draw from the emergency family leave pool, he/she will use all emergency family leave days, all personal days, and any additional days of benefit that have been set aside for personal use according to Master Contract.
- D. To be eligible for emergency family leave pool days, the participating staff member will submit a letter from a physician stating that a member of the participating staff member's family (spouse, child, other dependent, or individual permanently residing within the household) has suffered a catastrophic illness, injury, or infirmity. The physician's statement will list the

diagnosis and a statement rendering that the family member needs the continuing care and/or support of the participant during the early stages of diagnosis.

E. All requests by eligible employees to withdraw days from the emergency leave pool will be submitted to the SLPC (Sick Leave Pool Committee) for review.

1. The SLPC will determine if the participant is eligible to withdraw days from the emergency family leave pool.
2. The SLPC will determine the number of days that the employee is eligible to withdraw from the emergency leave pool.
3. The decision of the SLPC cannot be grieved.

F. Participants approved for the withdrawal of funds from the emergency leave pool will be reimbursed at a rate of 100% of their *base pay* (not including extracurricular pay, sponsorship pay, extended contract pay, etc.) for days 1-10; and 60% of their *base pay* for days 11-17.

G. All eligible members will be able to withdraw a maximum of seventeen (17) days from the emergency family leave pool, per year, provided the pool contains the number of days being requested. No employee may withdraw more than ten (10) days in two consecutive years.

H. To retain membership in the emergency family leave pool, a member will contribute one (1) day a year of his/her emergency family leave by the second day of school. This one (1) day contribution will be waived when the emergency family leave pool has an accumulation of 100 days on July 1 of any school year. The one (1) day contribution will be reinstated whenever the emergency family leave pool's accumulated days fall below fifty (50) on July 1 of any school year.

I. A new employee that elects to participate in the emergency family leave pool must initially contribute (1) day to the pool regardless of the number of days that have accumulated in the emergency family leave pool.

J. In the first year of operation, in order for the emergency family leave pool to become a "pool," any staff member may contribute any number of days they desire to contribute. Such days will be taken away from the five emergency family leave days given to them for that year in accordance with Article VI, part E of the 2003-04 Master Contract.

K. If a staff member chooses to withdraw his/her membership from the emergency family leave pool, he/she may do so by making a written request to the SLPC by the second day of school (of the school year in which it is to apply). This withdrawal is considered permanent and the member cannot rejoin at a later date.

- L. Upon withdrawal, the staff member will not be able to withdraw any of the emergency leave days that he/she has contributed to the emergency leave pool.

  - b. Step 2-Employees within their first year of service in the district will be reduced next unless they are needed to maintain a program.
  - c. Step 3-The remaining employees to be laid off will be selected by the Board of Education, taking into account, both on an individual basis and in comparison to other employees factors such as the individual employee's academic training, seniority in the district, ability and performance as an employee in the district as presently and currently evaluated by the appropriate administrators, assignment to extra duty activities and other special activities, and past and potential contribution to the educational program of the district.
